

ZWP: STUDY CIRCLE FOR THE POSTAL HISTORY OF THE FORMER AND PRESENT DUTCH OVERSEAS TERRITORIES IN THE EAST AND THE WEST

Study circle 'ZWP' was founded in 1968, with an initial emphasis on the postal history of Netherlands New Guinea and Australasia. In the course of its existence the whole of the Indian archipelago and the Dutch territories in the West Indies were also adopted. ZWP has now grown into a flourishing society, with members in the Netherlands as well as abroad, who are dedicated to the study of the postal history of 'Tropical Netherlands' and Australasia.

Apart from the regular club meetings, with auctions, an annual exhibition is held. ZWP issues its own magazine: 'Mededelingenblad', and, additionally, philatelic studies on a variety of subjects. Membership dues: € 25 per year for a digital subscription. Hard copies: on request.
